“How good and pleasant it is for Brethren To dwell together in Unity” - Psalms 133:1

Combined Federal Campaign (CFC)

The mission of the CFC is to support and to promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.

The CFC is on only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations. It continues to be the largest and most successful workplace fundraising model in the world. With a tradition of commitment to the community through the selfless efforts of Federal employees, the CFC has its roots in the many charitable campaigns of the early 1960s. Seeing a need to bring the diversity of fundraising efforts under one umbrella, Federal employees created the CFC – one campaign, once a year.

The Office of Personnel Management (OPM) is responsible for regulating the CFC and providing guidance and oversight nationwide. It reviews and provides guidance and technical advice on regulations and has the authority to conduct compliance audits on any CFC local campaign fiscal records.

The CCBCM has been members of the Combined Federal Campaign for the United Way of the National Capital Area since 2003 and our Agency number is #96257.

Please consider making a tax deductible contribution to support our scholarship program. All donations are used solely for the purposes of providing scholarships and supporting other CCBCM programs. Since 1993 to date we have awarded $467,000 dollars in scholarships to (530) students and provided $141,831 dollars in food and donations to families in need of assistance to include persons impacted by COVID-19.
